ABOUT CENTRO SÁVILA

Award-winning Centro Sávila is committed to advancing social justice and reducing disparities in behavioral health services. We are looking for qualified applicants to join us in improving the mental health of our community. Centro Sávila offers a flexible working environment, competitive salary and benefits, and training and professional development opportunities for all employees. Join our diverse, dedicated, hard-working staff and take part in endless opportunities for personal and career growth. We pride ourselves on supporting employees to create a culture of care and compassion and a sustainable work-life balance.

ROLE AND RESPONSIBILITIES

- Directs and supervises Centro Sávila clinicians and is committed to teamwork and a cohesive team.
- Provides training and oversight of clinical assessment, diagnosis and treatment.
- Provides weekly clinical supervision for clinicians.
- Monitors and oversees treatment plans and progress, documents significant interactions, conducts quarterly reviews of client files and maintains clinical charts, and other reporting data, as required by the agency.
- Organizes professional development and clinical trainings for staff and students.
- Develops a clinical training curriculum with the Executive Director.
- Monitors the professional actions of staff, as applied to service delivery.
- Assures that the policies and procedures, as related to therapeutic services, are in compliance with requirements of funding and insurance agencies, state regulations, and accepted principles of good personnel practices; assists the Executive Director in updating policies and procedures, as related to therapeutic services.
- Promotes excellent customer service systems and a commitment to achieving positive outcomes, and participates in service/program evaluation.
- Conducts yearly performance evaluations of clinicians.
- Promotes a culture of care and compassion within Centro Sávila.
- Meets regularly with Executive Director to inform of service delivery activities and any serious situations involving clients or staff.
- Oversees, complete and accurate data entry, and processing in Electronic Medical Records.
- Other duties, as required.
